

Dear St Cletus Parents,

Our Spring Auction Fundraiser planning is now in full swing. As many of you will remember, one very successful program for us is the Grandparent Letter. In past years, it has contributed over \$6000 toward our auction goal! Once again, we'd like to ask for your help with this initiative for our *2021 Cardinal Castaway* fundraiser. Regardless of the donation amount, every contribution is valuable and helps us achieve our \$75,000 fundraising goal for 2021...And it allows grandparents to better understand why it's a great day to be a Cardinal!

How it works:

- Each student will prepare, with their class, a personalized letter to grandparents asking for their support. Teachers will incorporate this into their January lesson plans. The older classes will be able to do more personalization in their letters, while the youngest students will color a picture. Teachers will direct students accordingly.
- **Parents:** please fill out the attached form with your child's grandparents' names and addresses, along with your St. Cletus student's names, and return this in your child's folder **no later than 12/18/20**
- Once the letters are created by students in January, we will complete them and mail them to grandparents. This will allow them to be recognized in the Spring Auction program, if they desire, as well as on the St. Cletus web site. Donation amounts will not be published. **ANY size donation is appreciated, and no donation is too small.**
- Grandparents will be sent a form along with your student's letter asking for support and how/if they would like to be recognized. The letter and form will be mailed out by the school.
- ***This program is completely optional.*** If you would prefer your child not participate, please indicate that in the form below and return it.

We truly appreciate your support of this valuable initiative.
