

February 2024

Dear Families,

We will be celebrating Valentine's Day on Wednesday, February 14th. In the morning, we will attend Ash Wednesday Mass which will take up a good part of our morning time. In the afternoon, the children will enjoy

a Valentine's party with our parent volunteers. The day will go by very quickly!

Here's what you need to know. Please read carefully!

- ✓ Please have your child bring valentines for his/her classmates. There are 24 children. Your child should bring his/her valentines to school on Wednesday, February 14th.
- ✓ Candy valentines ARE allowed.
- ✓ Be sure your child DOES sign his/her name on the valentine.
- ✓ Please leave who the card is "to" BLANK.
- ✓ Do NOT have "boy" and "girl" valentines. Please have one set for everyone!
- ✓ You do NOT need to send anything to collect the valentines in. We will be decorating bags at school.

Thank you for following these directions so it makes passing out valentines go quickly on a VERY busy day. In the days leading up to Valentine's Day, we will be discussing love and all the ways we see love in our lives. Our families and friends bring God's love to us!

Love,
Mrs. Mahr and Mrs. Zontos
