

## Dual Language Immersion Program

### Preschool Curriculum

### Zoo-phonics Spanish Kit

The Zoo-phonics, Mnemonic and Multisensory Spanish Kit is a fun, physical and research-based phonics program perfect for emergent learners. This kit includes phonemic awareness, the alphabet, sound blending, reading, spelling and writing in Spanish! Clear instruction is provided in the Bilingual Instruction Manual. There are 29 Animal Letters and accompanying Body Signals (gestures) unique to the Zoo-phonics program. The Spanish and English Animal Alphabets share 10 Animal Signals and sounds making the transition between the English and Spanish programs simple. This kit is designed to teach the Spanish alphabet to both native Spanish speakers and non-Spanish speakers.

Includes:

- Large Animal Alphabet Cards
- Primary Sound Flash Cards
- Beginning Sound Flash Cards
- Alphabet Grids
- Merged Capital Cards
- Handwriting
- Animal Alphabet Puppet Patterns
- Merged Animal Letter Patterns
- How To Draw Activity
- Zoo-Fonts
- MP3 Musical Album (with lyrics)
- Reader Guide
- Signal Practice Video – Streaming Video
- “We Are All Great!” An English and Spanish Sing-Along

## Everyday Mathematics (*Matemáticas Diarias*)

This curriculum introduces ways to reinforce, enrich and extend children's mathematics experiences, with an emphasis on integrating mathematics into all aspects of the classroom. It reflects the *Everyday Mathematics* philosophy that young children should have many opportunities to explore mathematical concepts through play, informal and structured interactions with adults and other children, and exposure to a variety of materials and manipulatives in a range of contexts.
