Grade 2
August 29, 2025

We had a great first full week of school together. The class is starting to get into the routines of 2nd grade and are learning the classroom expectations. We had a busy week taking the Iready diagnostics. It is exciting for 2nd graders to get their own Chromebooks this year. They have their own log in and passwords which they've learned to use this week.

In Religion, we have been talking about how God is Jesus's Father and how He wants us to love another. We learned that God is "divine" and this means Jesus is God. He can do things only God can do.

We are continuing to work through the first module of our math books. We reviewed what addends are and how we find the sum in an addition problem.. We used doubles facts and mental math to try to find our answers..

In Social Studies, we began talking about urban, rural, and suburban communities. We learned that St. Cletus School is in a suburban community. We'll continue with this unit next week.

We started our orientation lessons in Wilson Foundations. The kids have enjoyed having Echo and Baby Echo learn the letter sounds with our daily Foundations sound drills. The students were able to use their magnetic boards as well as their white boards this week to practice writing their letters correctly.

The 2nd graders reviewed what they need to write a good sentence. They also learned there are different types of sentences, declarative, interrogative, imperative, and exclamatory sentences.

REMINDERS

No School on Monday! Enjoy the long weekend :)

Fall Fest will begin on Thursday, September 4th. We all can't wait for this exciting week-end. Be on the look out for alternative arrival and dismissal procedures.

Hot Lunch

Ledo's pizza requires ordering two days prior to delivery. There first delivery is September 3rd, so ordering would need to be placed by September 1st at 1pm.

On Tuesday, we will have 8:00 am Mass. Doors to school will open at 7:45.

No homework on Fridays, so no student planner went home!

Have a great long week-end!
