VIRTUS TRAINING

- If you want to be a chaperone or volunteer, you must complete VIRTUS training as required by the Archdiocese.
- Please visit <https://stcletusschool.com/volunteering/> or reach out to the school office with any questions.

MATHEMATICS CLASS

- In 7th grade Tuesday math class, we have been reviewing techniques to find area of parallelograms and triangles. We will move on to surface area next week.
- In 7th grade accelerated math, we have been working on unit conversation and equations using constant of proportionality.
- 8th grade math will have their first unit assessment on writing expressions, equations, and inequalities, evaluating expressions with rational numbers, and proving solutions for equations this Thursday 10/2.

SCIENCE CLASS

- 6th and 7th grade will have their end-of-unit science assessment next week. 8th will be the following week.
- Students will have their science fair topic picked out by next Friday. We start our research phase in the coming week.
- More science fair information will be sent home on Monday.

7TH GRADE LANGUAGE ARTS

- We have started using a vocabulary instruction model where students learn a set of 10-15 words each week and take a quiz every last day of the week on those words. The rest of the week, students learn rules of grammar with those vocabulary words woven into each lesson.
- Some new vocabulary words: signify, aroma, resolve, samosa, feigned, entwined, refuge. Try them out at home!
