

MS. FOGLE'S NEWSLETTER

10/14/2025

GENERAL ANNOUNCEMENTS

- Middle school is now halfway through the research phase of the science fair projects. In the coming weeks we will be finishing research papers.
- **Field trip forms are due next week! Get the form and the \$10 fee in as soon as possible.**

VIRTUS TRAINING

- If you want to be a chaperone or volunteer, you must complete VIRTUS training as required by the Archdiocese.
- Please visit <https://stcletusschool.com/volunteering/> or reach out to the school office with any questions.

MATHEMATICS CLASS

- Both of my 7th and 8th grade sections have finished up their unit tests.
- 7th grade accelerated is beginning a new unit on percent change.
- 8th grade is learning about functions and precision. We will be starting a math project this week.
- Tuesday 7th grade math continues learning about surface area. We will move on to finding volume in the coming weeks.

SCIENCE CLASS

- All grades have finished up their unit tests with a multiple choice and written assessment.
- 6th grade has started their unit on plate tectonics with modeling the layers of the Earth.
- 7th grade has started their unit on cells and microorganisms with viewing cells under a microscope.
- 8th grade has started their unit on atomic theory. In our first lab, we will be conducting a investigation about density.

7TH GRADE LANGUAGE ARTS

- There is an upcoming grammar quiz testing on correcting sentence fragments and run-ons, adding details to sentences, and cutting back on wordiness in writing this Wednesday 10/14.
- This is our final vocabulary week before we take a 50 word vocabulary test. This will be next Friday 10/24.
- **VFW contest essays and information sheets are due October 29th.**
