

MS. FOGLE'S NEWSLETTER

12/7/2025

GENERAL ANNOUNCEMENTS

- This week we have Mass on multiple days (Monday, Tuesday, Friday).
- The Gift Shop is open next week. 7th grade will be going through at _____. Be sure to bring some money to get a gift or two.
- **The Giving Tree is still going on. Bring in a few dollars (\$1 or \$5 even) to donate to families in need who are a part of the program.**
- Christmas parties are coming up. Stay tuned for more information!

MATHEMATICS CLASS

- 7th grade accelerated has their next Module Test this Monday 12/8. We will be moving on to extensions in operations with rational numbers.
- 8th grade has been working on solving multi-step equations and a bit of test prep for the upcoming high school placement exam. Their next test will be this coming Wednesday 12/10.
- Tuesday 7th grade math has finished up discussion on circumference with some word problems. We begin area of a circle this coming week. There will be an informal geometry review to assess first semester's growth when we return from break.

SCIENCE CLASS

- 6th grade will be testing their earthquake resistant structures this coming Monday and finish a report on Friday.
- 7th Grade has finished up lessons on photosynthesis and cellular respiration. We are taking an assessment this coming Tuesday 12/9.
- 8th grade had their quiz on pure substances and mixtures today. We move on to phase change and thermal energy next.

7TH GRADE LANGUAGE ARTS

- We have been focusing on sentence types and variation in writing tasks.
- Rough drafts of the short stories will be due this Thursday 12/11. This should only include the writing portion of the assignment.
- Short stories complete with illustrations on each page are due December 17th.
- Vocabulary words for this week include: insignificant, objective, interaction, console, heritage, revolution, recognize, mission, advocate, and accommodation.

SCIENCE FAIR UPDATES

- **Safety sheets should be turned in ASAP if not complete already.**
- Experiments should be completed before break ends so that students will only need to focus on creating graphics and writing for their display boards.
- If students need to use school facilities for their science fair experiments, they should let me know as soon as they can.
- If you would like to purchase a display board from the school for \$5, please let me know via email.
- Paper reports will also be submitted for the project. Students will need a 1" or 1 1/2" three ring binder for their papers.

VIRTUS TRAINING

- If you want to be a chaperone or volunteer, you must complete VIRTUS training as required by the Archdiocese.
- Please visit <https://stcletusschool.com/volunteering/> or reach out to the school office with any questions.
