

Dear kindergarten and 8th grade families,

The kindergartners and 8th graders had a fun year together as buddies. Whether we were at Mass or in school, the 8th graders were excellent role models for the little ones. The 8th graders guided the children at church in prayer and song and participated in other fun activities with the kindergartners throughout the school year. We have now entered our last month of school and we would love to get together for one final activity. Here's what you need to know:

Tuesday, May 27th, kindergarten and 8th grade will have a picnic lunch together in the courtyard!

- ✓ **8th Grade Student:** Please bring in a blanket for you AND your buddy.
- ✓ **Kindergarten Student:** Please bring in a store / bakery treat for you AND your buddy (cookies, brownies, etc.) to share. There are no allergy concerns.
- ✓ **Each kindergartner and 8th grader** is responsible for bringing in his/her usual lunch and beverage.

We ask that ALL the students refrain from buying presents for each other. We look forward to this final activity together as we wave goodbye to the 8th graders as they move onto high school and wish the kindergartners "good luck" as they continue their journey here at St. Cletus!

Thank you for your help!
